Quote from a long-term member

"I have learned a new value of **UAHU/NAHU**...the value of having a "lifeline" of information available (weekly updates from legislative **NAHU**, access to ALL the breakout sessions of Cap Conference via recordings made available for a nominal fee, webinars on new regulation, etc, etc) that I didn't really appreciate...before. I cannot believe how wonderful it is to have **UAHU/NAHU** resources available...for a mere \$31/month \$370/year. If it was \$1,000/year it would be a bargain." **Unbelievable!!!**
