UAHU's Day on the Hill

(Salt Lake City, UT) The Utah Association of Health Underwriters (UAHU) will be holding its 10th Annual Day on the Hill on Wednesday, January 24th, prior to Governor Herbert's State of the State Address.

"We look forward to this annual event as an opportunity to rub shoulders with lawmakers and discuss important issues related to healthcare," said UAHU president Craig Paulson. "This event provides the members of the UAHU a unique opportunity to inform lawmakers regarding our industry and establish crucial working relationships".

Considering the continuing discussion regarding the future of the Affordable Care Act, UAHU members from across Utah will be visiting with local legislators to address healthcare reform issues effecting businesses and families in the state of Utah.

"Members of UAHU consist of health insurance professionals who possess extensive knowledge about health insurance plan designs, benefits and pricing and can help guide consumers through the complex task of choosing and maintaining appropriate coverage at an affordable price" said Paulson.

The Utah Association of Health Underwriters (UAHU) is a state chapter of the National Association of Health Underwriters and represents more than 2,000 health insurance professionals through 3 local chapters across Utah. UAHU members service the health insurance needs of large and small employers as well as people seeking individual health insurance coverage.
