Robert M. Johnson Lifetime Achievement Award

The “Lifetime Achievement” Award was designed to recognize one member of UAHU who has served in various leadership positions and although their leadership tenure has expired, they have demonstrated their dedication to the mission, goals and success of NAHU, through a continued unselfish involvement. These are the members who through their passion and support of NAHU continue to strengthen and inspire new leaders, and insure the growth and success of our association.

This award has been presented to the following members:
